

# Napalm Death, What The Public Doesn't Want

Jesse pintado

Name your price for progress  
Impoverished settle the bill  
Clear a path - coming through !  
Clear a path - coming through !

Stylise  
Make it easy / on the eye  
Keep our distance -  
Too under-formed to grace the 'sublime'

Flatter to deceive  
Building arthouse cosmetics  
Like a mismatched prosthetic  
Like a mismatched prosthetic

Spreads llike wildfire  
Burgeoning yuppie nirvana  
Highbrow aesthetics

Decadents always crave more

Marvel at / the sleek design  
The wilting talk / of curves and lines  
A piece-de / -resistance  
To banish my pig-ignorance

The public gets / what the public doesn't want  
What use is this / to man or beast  
It glosses over / basic needs

The public gets / what the public doesn't want  
Access denied ? we're utter philistines  
Access denied ? we're utter philistines

Caged in / the exclusion zone  
Pass away / in sepia tones  
Access denied ? accept we're cultural slime  
Access denied ? accept we're cultural slime
