

Narada Michael Walden, Gimme Gimme Gimme

On the Road, Travellin' With My Band
I Was So Exhausted From One Night Stands
Caught Your Smile And You Threw Me Some Heat
Well, I Liked Your Style It Was Strong But Sweet

I Fell For You Right Then And There
I Didn't Care Who Knew, I'd Follow You Anywhere

Gimme, Gimme, Gimme--All Night Long
Gimme, Gimme, Gimme--Keep Playing Love Song(Love Song)

Gimme, Gimme, Gimme--All Night Long
Gimme, Gimme, Gimme--Gimme That Love Song

When We Met, I I Had Been Alone
And I Was More Than Ready To Live On My Own
Then Your Song Touched Me Deep Inside
Until You Came Along I Wasn't Satisfied
Fell For You Right Then And There
I Didn't Care Who Knew--I'd Follow You
Anywhere

Gimme, Gimme, Gimme--All Night Long
Gimme, Gimme, Gimme--Keep Playing Love Song(Love Song)

Gimme, Gimme, Gimme--All Night Long
Gimme, Gimme, Gimme--Gimme That Love Song
