

# Narnia, No More Shadows From The Past

He Died For Me On The Cross  
Took My Sins And Threw Them Away  
he Lit The Fire In My Soul  
At Last I've Reached My Goal

Hand In Hand Through The Fields Of Fire

No More Shadows From The Past  
My Spirit Free, Free At Last

Here I Stand On The Road  
The Road To Meet My Destiny  
I'm Not Afraid ?Cause I'm Saved  
Yes I'm Saved By A Living Truth
