

# Nas, You Can't Stop Us Now

[Verse One - Nas]

From Willie Lynch to Willie Hutch, right on!  
We Supafly, made Gucci the shit, Louis too, suits and ties,  
playa trophies, pray to goldie  
Picture wax museums full of black pimps and triple O.G.'s  
Aunt Jemima hoes, historic horseshit, girls from long time ago  
Stagecoach with the horse kid  
Witchdoctors, good ol' pickpockets, sip moonshine  
So called coon, shines and darkies  
I love y'all  
Pyramids to cotton fields to Wrigley Fields  
Forgotten men who did get kill  
Crispus Attucks the first blasted  
Peace to the rich lady purse snatcher shot in the back  
I know you're hungry kid  
I know they hung your dad, burnt your mama crib  
I know that hurt ya bad  
Minstrel shows from gold to shackles and back to gold  
We act like we home, matter fact we are home  
Bad attitudes, octoroon skin tones  
Slave food turn to soul food, collards and neckbones  
Betsy Ross sewed the first American flag  
Bet she had a nigga with her to help her old ass

[Last Poets]

As James Baldwin says, you can only be destroyed by believing that you really are what the white

[Chorus - Eban Thomas]

No matter how hard you try, you can't stop us now  
No matter how hard you try, you can't stop us now

[Verse Two - Nas]

Yo on Dateline the other night they showed hate crimes  
Gave a blood time 'cause he fought with his K9  
Beastiality, humane society  
Go to China see how they dine, see what they eat  
Better yet asks PETA whoever what animal makes suede  
If not for suede would you survive the Dark Ages?  
Cannibal ways of the anti-caucasians  
Slay ya like a steak tartar on pinot noir  
David star on the chain, Sammy Davis he helped pave the way for Southern crankers and them Ha  
Now we gettin our papers  
They try to censor the words that stop our money comin but you can't escape us, haters

[Chorus - Eban Thomas]

No matter how hard you try, you can't stop us now  
No matter how hard you try, you can't stop us now
