

Nasri, Click Click Click

I am patient
We are waiting on you to get dressed girl (yeah)
I'm gonna sit here
While your put your face on
Playing with your make-up on
Damn you look so good it hurts me (hurts me)
Girl the design of your body is perfect (oh oh oh oh yeah)
I don't deserve you girl
And i'm like stop
Lemme take a mini shot of this moment (yeah)
Ouh baby drop everything your doing right now and just pose it
Click click click
Pose for me pose for me
Come on and
Pose for me pose for me
(yeah, you know you want to)
You are fashion
The latest style on the scene girl I mean it (mean it mean it)
Yeah, I am the actor (the actor)
Who's in the crew on my knees and i'm feelin (feelin) for you
And girl, everytime I click I go crazy
You got them lips in my camera and they sayin (oh oh oh yeah)
I don't deserve you girl
And i'm like stop
Lemme take a mini shot of this moment (yeah)
Oh baby drop everything your doing right now and just pose it
Click click click
Pose for me pose for me
Come on and
Pose for me pose for me
My camera loves you girl
