Nasum, Resistance

Tell me what you believe in Wage your values against mine And tell me I am just some piece of shit With a fucked up mind Why can't I just shut the fuck up?

Dead - but you're still breathing A consumer of the highest rank I wonder when you're gonna realize That you are just a product And you shouldn't shit where you eat!

Never free, never been Always chained to misery Always blind to what's beyond The horizon, you're just a drone It is all so sickening Your wife and kids & Description and the side of the

Feed you with lies - destroy your minds

Wake-up call, now you stall So it's their world, not free for all? Finally you hear the news A tainted picture, an awful bruise Confusion - now the bubble bursts It's time to hit them where it hurts Destroy the core, melt the machine Resistance - where it all begins!

Open your eyes - look into mine

Fed you with lies
Destroyed your minds
Open your eyes
Look into mine and realise

... resist!
