

# Nasum, Slaves To The Grind

(Music & lyrics: Anders Jakobson)

Pulling the weight  
On our shoulders  
Finding the strength  
The lost will-power

Turning the wheel  
Panting for new air  
Accepting the deal  
Staying strong for the slaves

Slaves to the grind!

Pushing forward inch by inch  
A slow and painful process  
Harder and harder, even faster  
A great and wonderful progress

We're pulling the weight  
We're turning the wheel  
- We're slaves to the grind

We're finding the strength  
We're accepting the deal  
- We're slaves to the grind
