

# Nasum, The Everlasting Shame

(Music & lyrics: Anders Jakobson)

It's so sad, so sad to see  
This farce we call equality  
The gap between the sexes is still so fucking vast  
The failure of generations who tried to beat the last

In the society of Men  
There's not much a woman can do

It's so sad, so sad to see  
Another destroyed sexuality  
Beaten, even raped, laying naked on the floor  
It's her fault, she's was drunk and dressed up, she's a whore!

The everlasting shame  
Stuck like an ugly tattoo

History repeats itself  
This has gone too far

How much can we take?  
Let's make it to the history books
