## Nat King Cole, If I May

(charles singleton, rose marie mccoy)

I'd like to love you everyday, If I may (if I may). And dream dreams of you every night, If I might (if I might).

And if I may, I'd like to say I wish that you were mine. If I had you, all I would do Is adore you all the time.

I'd like to tell you of your charms everyday, If I may (if I may). I'd like to hold you in my arms every night, If I might (if I might).

You're the object of my affections, And if you have no objections, I'd like to love you night and day, If I may.
