

Nat King Cole, Love Letters

VERSE:

The sky may be starless,
The night may be moonless,
But deep in my heart there's a glow.
For deep in my heart
I know that you love me.
You love me because you told me so.

CHORUS:

Love letters straight from your heart
Keep us so near while apart.
I'm not alone in the night
When I can have all the love you write.

*I memorize ev'ry line,
I kiss the name that you sign.
And, darling, then I read again right from the start
Love letters straight from your heart.

(Instrumental interlude and pick up from *.)

I memorize ev'ry line,
I kiss the name that you sign.
And, darling, then I read again right from the start
Love letters straight from your heart.
