

# Nat King Cole, To Whom It May Concern

To whom it may concern,  
You've found another love, I know  
To whom it may concern,  
My heart won't ever let you go.  
You tore my heart apart  
When you found somebody new,  
But you found out that your heart  
Could be broken, too.  
So to whom it may concern,  
You've learned that heartache has no pride,  
Pretending unconcerned won't stop the tears  
You try to hide.  
And when you're all alone  
With just a memory,  
That's when I'll bet you'll learn  
The one who's most concerned is me.  
~Interlude~  
And when you're all alone  
With just a memory,  
That's when I'll bet you'll learn  
The one who's most concerned  
...is me.
