

# Nat Stuckey, I'll Share My World With You

(Can't you see that I'm waiting to share my world with you)

( Nat )

I'll share my world with you everything that I own

My earthly possessions there's no good if I'm alone

Let me bring you the sunshine when it's fresh with morning dew

( Both )

Can't you see that I'm waiting to share my world with you

( Connie )

I'll share my world with you if you'll be mine alone

I'll give you a new heart you're the only love it's known

Let me give you my two arms they'll be happy if you do

( Both )

Can't you see they are waiting to share my world with you

( Nat )

I'll share my world with you everything that we see

Divide all the memories one for you and one for me

( Connie )

Let me give you my two lips they'll be smiling if you do

( Both )

Can't you see they are waiting to share my world with you

Can't you see that I'm waiting to share my world with you
