

# Nat Stuckey, In The Year 2525 (Exordius And Te

In the year 2525 if man is still alive if woman can survive they may find  
In the year 3535 ain't gonna need to tell the truth tell no lies  
Everything you think do and say is in the pill you took today  
In the year 4545 ain't gonna need your teeth won't need your eyes  
You won't find a thing to chew nobody's gonna look at you  
In the year 5555 your arms a hangin' limp at your sides your legs got nothin' to do  
Some machines doin' that for you  
In the year 6565 ain't gonna need no husband won't need no wife  
You'll pick your son pick your daughter too  
From the bottom of a long glass tube oh oh  
In the year 7510 if God's a coming he oughta make it by then  
Maybe he'll look around himself and say guess it's time for the judgement day  
In the year 8510 God's gonna shake his mighty hand  
He'll either say I'm pleased where man has been or tear it down and start again oh oh  
In the year 9595 I'm still a wonderin' if man is gonna be alive  
He's takin' everything this old earth can give and he ain't put back nothin' oh oh  
Now it's been ten thousand years man has cried a billion tears  
For what he never knew now man's reign is through  
But through eternal night the twinkling of starlight  
So very far away maybe it's only yesterday  
In the year 2525 if man is still alive and if woman can survive they may find
