

Nat Stuckey, Lookin' For A Way

I keep lookin' for a way to tell you I don't love you anymore
But I think it's best we go our seperate ways just walk out the door
But I hesitate and wait till I change my mind again then it's too late
I keep lookin' for the words to best explain the way I feel
I know you will agree with me this feeling that we have's not real
But you look at me and cry Lord I hate to say goodbye so I keep lookin' for a way
For there's so much love between our hearts
Maybe we can find the way to start lovin' again
Maybe there's a piece of love
That somewhere in the shadows and we could make it live again
So now I'm lookin' for a way to bring back our all yesterdays
And the sunshine in our lives when everything for you and me was right
And you look at me and smile make my affort seem worthwhile
So I'm lookin' for a way
(guitar)
Oh there's so much love between our hearts...
