

Nat Stuckey, You Make Me Feel Like A Man

Whenever I'm down then you come around and you make me feel like a man
There's nothing like the touch of my woman to make me feel warm and proud inside
Anytime I need two arms around me well I found me a heaven to hide
Cause you make me feel like a man I light up with a touch of your hand
Whenever I'm down then you come around and you make me feel like a man

Anytime I need two arms around me to whisper and say I'll understand
Then it won't be very long until you've made me strong and life is worth living again
Cause you make me feel like a man...
Now you make me feel like a man
