

# Nat Stuckey, You Make Me Feel Like A Man

Whenever I'm down then you come around and you make me feel like a man  
There's nothing like the touch of my woman to make me feel warm and proud inside  
Anytime I need two arms around me well I found me a heaven to hide  
Cause you make me feel like a man I light up with a touch of your hand  
Whenever I'm down then you come around and you make me feel like a man

Anytime I need two arms around me to whisper and say I'll understand  
Then it won't be very long until you've made me strong and life is worth living again  
Cause you make me feel like a man...  
Now you make me feel like a man
