

Natalia Lesz, Radio Active

I'm radio
Oh oh oh

You're turning on
You're turning on my radio
Oh oh oh
You're turning on

Are you radioactive
Cause, baby, there's a buzz in my ear
Something on the airwaves
Kickin' up the atmosphere
Static in my veins when you're coming through
Here it comes again can you feel it too

Oh oh oh
You're turning on
You're turning on my radio
Oh oh
Oh oh oh
I'm burning up
Baby can you feel it glow
Oh oh oh
You're turning on
You're turning on my radio
Oh oh oh

You got me waiting
Waiting for the late night show
Anticipating baby I can never say no
Riding on the waves oh I'll make you see
Everything that's playing on my frequency

Turn it on
Turn me up
Gimme everything you've got
Turn it on
Turn me up
Yeah I'll tell you when to stop x2

Oh oh oh
You're turning on
You're turning on my radio
Oh oh oh
I'm burning up
Baby can you feel it glow
Oh oh oh
You're turning on
You're turning on my radio
Oh oh oh
I'm burning up
Baby can you feel it glow
Oh oh oh
You're turning on
You're turning on my radio
