

# Natalia 'Natu' Przybysz, Walk my path

I've been sitting here  
For a long time  
Trying to forget  
and ease my mind  
How we used to kiss  
for a whole night  
'till the first lights  
made us realize  
we loose the track of time  
Like a child I don't know  
why should I let You go tonight  
I'd rather fly with You  
To the bright sky of an open  
mind that's free to  
face the heart.  
Shoo fly  
Don't bother me  
Cause I belong to somebody.  
It's so bright  
It's alright  
I've got my lfe and  
You've got your life  
I've got missions  
And You walk Your path  
But there's nothing  
we do without love  
So please Darling  
be with me tonight
