

Natalia Szczypuła, As

As around the sun the Earth knows she's revolving
And the rosebuds know to bloom in early May
Just as hate knows love's the cure
You can rest your mind assure
That I'll be loving you always

As them can't reveal the mystery of tomorrow
But in passing will grow older every day
Just as all is born is new
you know what I say is true
That I'll be loving you always

Until the rainbow burns the stars out of the sky
Until the ocean covers every mountain high (hmmm uh, this is gonna be allways)
Until the day that eight times eight times eight is four (you know it's gonaa be allways)
Until the day that is the day that I'm no more

Did you know that true love asks for nothing
Her acceptance is the way we pay
Did you know that life has given love a guarantee
To last through forever and another day

As today I know I'm living but tomorrow
Could make me the past
But that I must'n fear

Now I know deep in my mind
The love of me I've left behind

And I'll be loving you allways
