

# Natalia Szczypuła, As

As around the sun the Earth knows she's revolving  
And the rosebuds know to bloom in early May  
Just as hate knows love's the cure  
You can rest your mind assure  
That I'll be loving you always

As them can't reveal the mystery of tomorrow  
But in passing will grow older every day  
Just as all is born is new  
you know what I say is true  
That I'll be loving you always

Until the rainbow burns the stars out of the sky  
Until the ocean covers every mountain high (hmmm uh, this is gonna be allways)  
Until the day that eight times eight times eight is four (you know it's gonaa be allways)  
Until the day that is the day that I'm no more

Did you know that true love asks for nothing  
Her acceptance is the way we pay  
Did you know that life has given love a guarantee  
To last through forever and another day

As today I know I'm living but tomorrow  
Could make me the past  
But that I must'n fear

Now I know deep in my mind  
The love of me I've left behind

And I'll be loving you allways
