Natalia Szczypuła, As

As around the sun the Earth knows she's revolving And the rosebuds know to bloom in early May Just as hate knows love's the cure You can rest your mind assure That I'll be loving you always

As them can't reveal the mystery of tomorrow But in passing will grow older every day Just as all is born is new you know what I say is true That I'll be loving you always

Until the rainbow burns the stars out of the sky Until the ocean covers every mountain high (hmmm uh, this is gonna be allways) Until the day that eight times eight times eight is four (you know it's gonaa be allways) Until the day that is the day that I'm no more

Did you know that true love asks for nothing Her acceptance is the way we pay Did you know that life has given love a guarantee To last through forever and another day

As today I know I'm living but tomorrow Could make me the past But that I must'n fear

Now I know deep in my mind The love of me I've left behind

And I'll be loving you allways
