

Natalie Brown, More Today Than Yesterday

(N. Brown/J. Rwakaara)

Rap Written & Performed by: High Intent

V1

I love it when you hold me
When your loving arms enfold me
I'm so captured by your love
It's such a sweet gift from up above
I know that you're attracted
By the sweet scent of my perfume
I can feel your stare pierce through me
I can sense you all around the room

Chorus:

I love you more today than yesterday
Believe this vow of love I make
No one will ever come between us
My vow of love will never break
Yes my love, it's true I'll stay

V2

When you say you'll be true to me
I'll be faithful too boy, you will see
You make me quiver wild with joy
Cuz I know that I'm your girl and you're my boy
You're my pride and joy of life
I wanna be your loving wife
Forevermore we'll be as one
And we will know that the work of love is done

Bridge:

You're the one I long for, baby
You're the one I need
So believe me when I tell you
I love you more today than yesterday
