

# Natalie Cole, I Live For Your Love

Written by Pam Reswick, Steve Werfel and Allan Rich

Stand up, stand on your own, that's what they tell me  
You can make it alone, but where does it say I have to move  
Far away from you to prove I'm strong,  
Oh when all it really proves is I'm lonely without you  
And loneliness has to be wrong, I live for your love, (everyday), every minute  
I live for your love, (in my life), want you in it  
I live for your love, I admit it, I live for your love  
I wake up with no one to kiss, sometimes I wonder, (wonder, wonder) if I just exist  
I know there are people I can see, places I could be, and friends who call  
Oh but what good does it do, there's no substitute for you  
I want you or nothing at all, I live for your love, (every day), every minute  
I live for your love, (in my life), want you in it, I live for your love, I admit it  
I live for your love and your kisses, and know how I'm missing  
Your sweet tender touch, (tender touch), I need you so much  
That I just can't go on anymore, what I wouldn't give for  
'Cause darling I live for your love, (Everyday), every minute  
I live for your love, (Got one life) want you in it  
I live for your love, I hate to admit it, but oh, I live for, I'd die for  
What I wouldn't give for your love, (I live for your love every day)  
I live for your love, (got one life) every day, every minute  
(I live for your love), I have only got one life, I want you in it  
Oh, my baby, yes, yes, I live for your love, ooh, ooh
