

Natalie Cole, I've Got Love On My Mind

I've got love on my mind
I've got love on my mind
I've got love on my mind
And there's nothing particular wrong
It's a feelin' I feel inside
When I woke up early this mornin'
It was starin' me straight in my eye

I've got love on my mind
I've got love on my mind
I've got love on my mind
When you touch me I can't resist
And you've touched me a thousand times
When I think of your tender kiss
Then and there I start to unwind

In your arms
I like to be
Caressin' you gentle and tenderly
From sunrise to sunset
All through the day
I've been waiting for your return
And you know this is where I'll be
I can say to the world I learned
Only you can satisfy me, satisfy me
Oh, you have made me so very happy
Oh, baby, baby
Love on my mind
Love on my mind
I've got love on my mind
