

Natalie Cole, I Wish You Love

Good-bye, no use leading with our chins
This is where our story ends
Never lovers, ever friends
Good-bye, let our hearts call it a day
But before you walk away
I sincerely want to say
I wish you bluebirds in the spring
To give your heart a song to sing
And then a kiss, but more than this
I wish you love
And in July a lemonade
To cool you in some leafy glade
I wish you health
But more than wealth
I wish you love
My breaking heart and I agree
That you and I could never be
So with my best
My very best
I set you free
I wish you shelter from the storm
A cozy fire to keep you warm
But most of all when snowflakes fall
I wish you love
But most of all when snowflakes fall
I wish you love
I wish you love, love, love, love, love
I wish you love
I really wish you love, really wish you love
