

Natalie Cole, Love Letters

L is for the way you look at me, O is for the only one I see
V is very, very extraordinary, E is even more than anyone that you adore
Can love, its all that I can give to you, love is more than just a game for two
Two in love can make it, take my heart but please don't break it
Love was made for me and you, musical Interlude
Yeh, L is for the way you look, you're looking at me
And O is for the only one I see, V is so very, very extra ordinary

Now E is even more than any, any, anyone that you adore
Can love, its all that I'm gonna give to you, oh love
Is more than just a game for two, two in love can make it
Take my heart but please don't you break it, cause love
Was made for me and you, I'm telling you love
Was made for me and you, don't you know that love
Was made for me and you..
