

# Natalie Cole, Love Letters

L is for the way you look at me, O is for the only one I see  
V is very, very extraordinary, E is even more than anyone that you adore  
Can love, its all that I can give to you, love is more than just a game for two  
Two in love can make it, take my heart but please don't break it  
Love was made for me and you, musical Interlude  
Yeh, L is for the way you look, you're looking at me  
And O is for the only one I see, V is so very, very extra ordinary

Now E is even more than any, any, anyone that you adore  
Can love, its all that I'm gonna give to you, oh love  
Is more than just a game for two, two in love can make it  
Take my heart but please don't you break it, cause love  
Was made for me and you, I'm telling you love  
Was made for me and you, don't you know that love  
Was made for me and you..
