

Natalie Cole, Somewhere Along The Way

I used to walk with you
Along the avenue
Our hearts were carefree and gay

How could I know I'd lose you
Somewhere along the way?

The friends we used to know
Would always smile, "Hello"
No love like our love they'd say

Then love slipped through our fingers
Somewhere along the way

I should forget
But with the loneliness of night
I start remembering everything

You're gone and yet
There's still a feeling deep inside
That you will always be part of me

So now I look for you
Along the avenue
And as I wander I pray

That some day soon, I'll find you
Somewhere along the way

I should forget
But with the loneliness of night
I start remembering everything

You're gone and yet
There's still a feeling deep inside
That you will always be part of me

So now I look for you
Along the avenue
And as I wander I pray

That some day soon, I'll find you
Somewhere along the way
Somewhere along the way
