

Natalie Grant, Within Me

When I feel the worlds against me
left me in the cold
thinking I've been forgotten
out there on my own

I close my eyes and in the silence
hear a voice so clear
reminding me your love
is always right here

Within me-then all of my doubts disappear
and there's nothing to fear- your loves
within me
you gave me strength to believe
that all that I am and all that I'll ever need is
within me

When my spirit's all but broken
I'm humbled to the bone
Searching for the grace
To find my way home

I take a breath, a slow deep breath
And feel a sense of calm
Then the hurt in my heart is suddenly gone

Within me you wiped away all my tears
There's nothing to fear- your love's within me
It gives me the strength to believe
that all that I am and all that I'll ever need is
Within me
