

Natalie, How

How
(Natalise)

You weren't supposed to mean that much to me
I wasn't supposed to fall in love
You weren't supposed to seem like you loved me
I wasn't supposed to lose control

But now you're gonna go
And now I'm wonderin why, I'm left here to cry

(chorus)
How do you tell someone something they don't wanna hear
How do you tell someone about the object of their fear
How do you say I changed my mind, I love you so
How do you make someone love you, someone love you if they don't

You weren't supposed to make me wanna love you
I wasn't supposed to give you my heart
You weren't supposed to break the rules of friendship
I wasn't supposed to play the part

And now you're gonna go
And now I'm wonderin why, I'm left here to cry

(chorus)

(bridge)
Maybe I saw more than I should have/ And maybe I saw more that you would have/ But it remains

(chorus)
