

Natalie Imbruglia, Counting Down The Days (Single Version)

You were right.
And I don't want to be here if you're gonna be there.
Was that supposed to happen?
I'll hold tight.
I'll remember to smile.
Though it has been a while.
And without you does it matter?

I want to travel through time.
See your surprise.
I'd hold you so tight.
I'm counting down the days tonight.
I just want to be a million miles away from here.
I'm counting down the days.

How've you been?
It's just the usual here.
And days are feeling like years.
And every day's without you.
Now I cry just a little too much when I think of your touch
And everything about you.

I want to travel through time.
See your surprise.
I'd hold you so tight.
I'm counting down the days tonight.
I just want to be a million miles away from here.

I'm counting down the days.
I'm counting down the days.
I'm gonna be your surprise.
I'm gonna hold you so tight.

Yeah!

I want to travel through time.
See your surprise.
I'd hold you so tight.
I'm counting down the days tonight.
I just want to be a million miles away from here.
A million miles away from here.
