Natalie Jane, AVA

Who the fuck is Ava Is she the other girl I bet she's dying to date you And be your entire world

Thought that I was dumb When you asked me to go blonde Cause i knew that's what you wanted Ya you wanted A girl who did it all Didn't pick up on your faults Someone who was always falling For your charming

So why is there a red heart next to her name Who the fuck is Ava Is she the other girl I bet she's dying to date you And be your entire world I'm sick and tired of faking Like I don't see your phone When i see her name and you can't explain

Who the fuck is Ava Who the fuck is Ava Who the fuck is

Blinded by the lights Tell me why you trying hide it I wasn't even threatened You got me second guessing

So why is there a red heart next to her name Who the fuck is Ava Is she the other girl I bet she's dying to date you And be your entire world I'm sick and tired of faking Like I don't see your phone When i see her name and you can't explain

Who the fuck is Ava Who the fuck is Ava Who the fuck is
