

Natalie La Rose, Around The World (ft. Fetty Wap)

Boy, just tell me where you wanna go
I'll sit back, enjoy the ride
Watch me wrap my body coast to coast
Trace a map of me tonight

You know the, you know the
Language my body talks
You know what, you know what
I need to give it all
Nailed down to the bed
Now that you got a taste
Baby, don't you know where you should be?

If I was your girl, if I was your girl
I'd give it to you all around the world
If I was your girl, if I was your girl
I'd give it to you all around the world

(I'd give it to you)
Ra ra ra, ra ra ra
Ra ra ra, ra ra ra
Ra ra ra, ra 'round the world
(I'd give it to you)
Ra ra ra, ra ra ra
Ra ra ra, ra ra ra
Ra ra ra, ra 'round the world
(I'd give it to you)

Boy, just tell me if you wanna fly
With these lips, I'll give you wings (give you wings)
I'ma take you where the temperature's too high
I can tell you know just where that is

You know the, you know the
Language my body talks
You know what, you know what
I need to give it all
Nailed down to the bed
Now that you got a taste
Baby, don't you know where you should be?

If I was your girl, if I was your girl
I'd give it to you all around the world
If I was your girl, if I was your girl
I'd give it to you all around the world

(I'd give it to you)
Ra ra ra, ra ra ra
Ra ra ra, ra ra ra
Ra ra ra, ra 'round the world
(I'd give it to you)
Ra ra ra, ra ra ra
Ra ra ra, ra ra ra
Ra ra ra, ra 'round the world
(I'd give it to you)

I'll give it to you

Hey, check out my master plan
I'll call you around 10
I'll pick you up and then
I'm talkin' 'bout bein' your man, baby
Love all over the sand, babe
Let's travel all over the world

Just me and my girl
Your love is treasure, treasure like diamonds and pearls
I just wanna be your man, just be my girl
Your love is treasure, treasure like diamonds and pearls
I just wanna be your man, just be my girl

If I was your girl, if I was your girl
I'd give it to you all around the world
If I was your girl, if I was your girl
I'd give it to you all around the world

(I'd give it to you)
Ra ra ra, ra ra ra
Ra ra ra, ra ra ra
Ra ra ra, ra 'round the world
(I'd give it to you)
Ra ra ra, ra ra ra
Ra ra ra, ra ra ra
Ra ra ra, ra 'round the world
(I'd give it to you)

If I was your girl, if I was your girl
If I was your girl
All around
If I was your girl, if I was your girl
If I was your girl
All around
