

Natalie Merchant, Take A Look

(Allen Toussaint)

Take a look at this heart
It's the one I'm gonna use to love you
Take a look at these arms
These are the arms I'm gonna use to hug you
Look at these eyes
These are the eyes that will haunt you
Ohhhh take a look at this girl
She's the girl that wants you

Take a look at my feet
that are gonna walk up to your door
Take a look at this head, Take a look at these hips, It's gonna knock(?)

like n
Look at these lips
There gonna kiss you and
I know they'll haunt you
Ohhh Take a look at this girl
I'm the girl that wants you

Ohhh take a look at that reef
That you see lying in the window
Take a look at that poor little dimple spot on my third finger

If you wanna see someone who's gonna be happy as can be
Take a look at me
Take a look at me
Tame eeee

Take a look at this heart
It's the one I'm gonna use to look at these arms
There the ones I'm gonna use to hold you
