

# Natalie Merchant, Tower of Babel

See this house is divided,  
see we're broken in two.  
It's just a Tower of Babel,  
everybody so confused.

Everybody feeling the danger,  
nobody dare to make a move.  
It's just a Tower of Babel,  
everybody so confused.

Everybody spellbound and waiting,  
everybody roped and tied.  
It's just a Tower of Babel,  
nobody gets out alive.  
Everybody so confused.
