

Natasha Bedingfield, Chasing Cars

We'll do it all
Everything
On our own
We don't need
Anything
Or anyone

If I lay here
If I just lay here
Would you lie with me
And just forget the world

I don't quite know
How to say
How I feel
Those three words
Have said too much
It's not enough

If I lay here
If I just lay here
Would you lie with me
And just forget the world

Forget what we're told
Before we get too old
Show me a garden
That's bursting into life

Let's waste time

Chasing cars
Around our heads
I need your grace
To remind me
To find my own

If I lay here
If I just lay here
Would you lie with me
And just forget the world

Forget what we're told
Before we get too old
Show me a garden
That's bursting into life

All that I am
All that I ever was
Is here in your perfect eyes
They're all I can see

I don't know where
Confused about how is well
Just know that these things will never change
For us at all

If I lay here
If I just lay here
Would you lie with me
And just forget the world
