

Natasha Bedingfield, Happy

Oh oh oh
Oh oh oh yeah, oh!
Oh oh oh, ooh ooh
Oh oh oh, ooh ooh ooh

Landlord's knocking at my door
Cussing me out
Got laid off my job the night before
Can't figure how
I'm gonna fix tomorrow when
Yesterday's still a mess
Can you tell me what's the point, man?
It all seems meaningless

Wish that I could step away and breathe
This world's trying to swallow me
Clear away the clouds inside my head

Someone just tell me that it's okay now
What are you whining about?

Got my dreams, got my life, got my love
Got my friends, got the sunshine above
Why am I making this hard on myself
When there's so many beautiful reasons I have to be happy?
Oh oh, oh oh oh

People lie, people hide
People cry, people fight
And they don't know why
If fear is all that we should fear
Then what are we so afraid of?
'Cause fear is only in our heads

Someone please say that it's okay now
What are you whining about?

Got my dreams, got my life, got my love
Got my friends, got the sunshine above
Why am I making this hard on myself
When there's so many beautiful reasons I have to be happy?
Oh oh, oh

Any day I'll come back thinking that if one is against me
And the world wants to fight me
Preparing to battle an enemy unseen
During my stressing I'm blinded to the lessons
That could be a blessing if I'd be confessing
They're the enemy
I'm trying to be as hard as in me, oh

But it's okay now
What are you worrying about?

Got my dreams, got my life, got my love
Got my friends, got the sunshine above
Why am I making this hard on myself
When there's so many beautiful reasons I have to be happy?

Keep your pride, don't go
So many reasons to be happy
It's your life, it's your world
That it's okay now
Keep your pride, don't go

It's your life, it's your world

Got my dreams, got my life, got my love
Got my friends, got the sunshine above
Why am I making this hard on myself
When there's so many beautiful reasons I have to be happy?
