

Natasha Bedingfield, The Scientist

Come up to meet you, Tell you I'm sorry, You don't know how lovely you are

I had to find you, Tell you I need you, Tell you I set you apart

Tell me your secrets, And ask me your questions, Aww let's go back to the start

Runnin' in circles, [sounds like] Comin' our tails, Heads only science apart

Nobody said it was easy
It's such a shame for us to part
Nobody said it was easy
No one ever said it would be this hard
Aww take me back to the start

I was just guessin', At numbers and figures, Pullin' the puzzles apart

Questions of science, Science and progress, Do not speak as loud as my heart

Tell me you love me, Come back to haunt me, Oh when I rush to the start

Runnin' in circles, [sounds like] Chasin' our tails, Comin' back as we are

Nobody said it was easy
Aww It's such a shame for us to part
Nobody said it was easy
No one ever said it would be so hard
I'm goin' back to the start

Ahhoooooooooooooooooooo
Ahhoooooooooooooooooooo
Ahhoooooooooooooooooooo
Ahhoooooooooooooooooooo
