

Natasha St-Pier, True Colors

You with the sad eyes, don't be discouraged
Oh I realize it's hard to take courage
In a world full of people, you can lose sight of it all
And the darkness, inside you can make you feel so small
But I see your true colors shining through
I see your true colors and that's why I love you
So don't be afraid to let them show
Your true colors, true colors are beautiful, like a rainbow
Show me a smile then, don't be unhappy, can't remember
When I last saw you laughing
If this world makes you crazy and you've taken all you can bear
You call me up because you know I'll be there
And I'll see your true colors shining through
I see your true colors and that's why I love you
So don't be afraid to let them show
Your true colors, true colors are beautiful, like a rainbow
[instrumental part]
So sad eyes, discouraged now, realize
When this world makes you crazy, and you've taken all you can bear
You call me up, because you know I'll be there
And I'll see your true colors shining through
I see your true colors and that's why I love you
So don't be afraid to let them show
Your true colors, true colors, true colors cause there's a shining through
I see your true colors and that's why I love you
So don't be afraid to let them show
Your true colors, true colors, true colors are beautiful, like a rainbow
