Natasha St-Pier, True Colors

You with the sad eyes, don't be discouraged Oh I realize it's hard to take courage

In a world full of people, you can lose sight of it all

And the darkness, inside you can make you feel so small

But I see your true colors shining through

I see your true colors and that's why I love you

So don't be afraid to let them show

Your true colors, true colors are beautiful, like a rainbow

Show me a smile then, don't be unhappy, can't remember

When I last saw you laughing

If this world makes you crazy and you've taken all you can bear

You call me up because you know I'll be there

And I'll see your true colors shining through

I see your true colors and that's why I love you

So don't be afraid to let them show

Your true colors, true colors are beautiful, like a rainbow

[instrumental part]

So sad eyes, discouraged now, realize

When this world makes you crazy, and you've taken all you can bear

You call me up, because you know I'll be there

And I'll see your true colors shining through

I see your true colors and that's why I love you

So don't be afraid to let them show

Your true colors, true colors, true colors cause there's a shining through

I see your true colors and that's why I love you

So don't be afraid to let them show

Your true colors, true colors, true colors are beautiful, like a rainbow
