

Nature Living, Far Side Of The Sun

What is happen in this place
What do you want to have a try to everyone
Disappointed of your mind
Something wrong with everyone in this place

I'm just asking you to hang in
There with me a little longer
I am sadness something wound you
I think it's not a small thing you want find out
What you want to be
I can't trust you and my hope is gone

I just waiting for you
I am falling over
I was afraid of first time
Want to make my story in the season
It is not too far
