

# Naughty By Nature, City Of Ci-Lo

Life is a roll like the dice and you know? [x3]

Do you wanna play?

Now if you, base out and ace out

Ace is an ass out

Also an ass whip

You catch quick those who catch it most don't last it down on Doogan

They rollin' two deep, so they ain't too sleep and crews creep but they hard to

beat bustin' out two jeeps there's Tracy, tricky and trickin' chokin' nuff

chicken she's burnin' and when that chick is broke that bitch is stickin'

up the block is for the hoe no another pro hoe she pick pockets when she rocks it it ain't no loot out on that hoe stroll on block five ya catch

a

fever and get no breather either beat it or break it to break it down thrw

it I need it look for trips yeah the triplets cause that's the hit click

and on down is a pick up cause it's a stick-up on the freak tip, just when

you think things were looking messy she lives six houses on the leffy her

name is sexy hooked up by Becky true to the dice not new to the dice Sexy

dropped me off 456 Ci Lo Blvd. right after she blew on the dice.

123rd the block'll splatter ya cap's catch ya they batter ya niggas stretch even scavengers breaking fool like Attica stolen glock and he know

holding spots from below primos for them g notes rolling rocks in kilos ci-lo is the set up poppy's rockin and poppin' ya 123rd kids fuck up bank

jackings like Joshua snake what wakeup or bake up pay up or break up you're on the block rocked needin' three bitches ta shake up pimpin ain't

easy but if ya mac you'll be the largest so if he asses out he got no hoes

just three new charges ass and face up in the cut look who dodges wait the

case is open and shut fuck garages and everyone on the strip is more than

one time offenders and they trusting the roll like they trustin' public defenders you see 'em don't want to be 'em hope ci-lo free 'em I'm schemin' a fuckin' demon after per diem I'm leaving sometimes this evening

yeah in The PM not even wit attitude rude cause fool I'm geein' a crafter

after a billing not asking on ya the master mackin' a million tax-free from this corner.
