Nazareth, Cocaine

If you want to go out You've got to take her out, cocaine And if you want to get down Down on the ground, cocaine She don't lie She don't lie, cocaine

Well if you've had bad news You want to kick your blues, cocaine And if your day is done But you just got to run on, cocaine She don't lie She don't lie, cocaine

Feeling is gone but you just Got to ride on, cocaine But don't forget this fact You just can't get it back, cocaine

She don't lie She don't lie She don't lie, cocaine

She don't lie She don't lie She don't lie, cocaine
