

Nazareth, Dream On

Dream on
Though it's hard to tell
Though you're fooling yourself
Dream on...dream on

You can hide away
There's nothin' to say, so dream on
Dream on
Though it's hard to tell
Though you're fooling yourself, dream on

You can laugh at me because I'm crying
You can tell your friends how much
I begged you to stay
You can live your fantasy without me
But you'll never know how much I needed you

Dream on
It's so easy for you
Though I'm broken in two, dream on
Dream on
You can never see
What you're doing to me, so dream on

You can cross your heart and still be lying
You can count the reasons why you've thrown it away
You can dream your life away without me
But you'll never know how much I needed you

You can laugh at me because I'm crying
You can tell your friends how much
I begged you to stay
You can live your fantasy without me
But you'll never know how much I needed you

Dream on
It's so easy for you
Though I'm broken in two, dream on
Dream on
You can never see
What you're doing to me, so dream on
Dream on
Though it's hard to tell
Though you're fooling yourself, dream on
Dream on
