

Nazareth, May The Sunshine

May the sun, the sun shine bright
May the sun shine bright on you
May the sun, the sun shine bright
May the sun shine bright on you

Someone woke me up again last night
Talkin' to me about my last time
Don't tell me I know it's late
Please, please lay me down a line
Pick me up before I start to fall
Never let your dreams grow small

May the sun, the sun shine bright
May the sun shine bright on you
May the sun, the sun shine bright
May the sun shine bright on you

Talkin' to my lover, she was out
It was independence day
Don't be nervous , you can hold me tight
Someone turned the light out on the stairs
Was it just the wind I heard
Just another helping hand

May the sun, the sun shine bright
May the sun shine bright on you
May the sun, the sun shine bright
May the sun shine bright on you

Take me back down the yellow brick road
Let me get my ticket to your heart
Stranger's hidin' on my land
Could it be it's keepin' me apart
Give me time don't you gimme no love
Let the sunshine in your heart
