

Nazareth, Ruby Tuesday (Extended Single Mix)

She would never say where she came from
And yesterday don't matter if it's gone
When the sun is bright
Or on the darkest night
No one knows...she comes and goes

chorus:

Goodbye ruby tuesday
Who could hang a name on you
When you change with every new day
Still I'm gonna miss you

Dont question why she needs to be so free
She'll tell you it's the only way to be
She just can't be chained
To a life where nothing's gained
And nothing's lost, at such a cost

corus:

There's no time to lose I heard her say
Catch your dreams before they slip away
Dying all the time
Lose your dreams and you will lose your mind
In life unkind

chorus: (4x)
