

Nazareth, Sunshine

Sunshine, every single day
Helps to light my way
And darlin', right before my eyes
It don't come as no surprise
That it's easy,
Easy loving you.

And baby, 'til you came along
There was always something wrong
Around me
There was emptiness, of course
But it's alright
And it's easy,
Easy loving you.

And sunshine, having you around
You're the light I never found
And darlin', every minute you're away
But it's brighter
And it's easy,
Easy loving you.
