Nazareth, This Flight Tonight

(copyright 1971 joni mitchell pub. corp.)

"Look out the left," the captain said "The lights down there, that's where we'll land" Saw a falling star burning High above the Las Vegas sand.

It wasn't the one that you gave to me That night down south between the trailers Not the early one that you wish upon Not the northern one that guides in the sailors.

You've got that touch so gentle and sweet But you've got that look so critical Can't talk to you babe you know I get so weak Sometimes I think that love is just mythical.

Up there's a heaven, down there's a town Blackness everywhere any little lights shine Blackness, blackness draggin' me down Come on light a candle in this heart of mine.

Starbright, starbright, you've got the lovin' that I like Turn this crazy bird around Should not have got on this flight tonight.

I'm drinkin' sweet champagne, got the headphones up high Can't numb you, can't drum you out of my mind They're singin', "Goodbye baby, Baby bye-bye. Ooh! Love is blind."

Up go the flaps, down go the wheels Hope you got your heat turned on, baby Hope they've finally fixed your automobile Hope it's better when we meet again, babe.

Starbright, starbright, you've got the lovin' that I like Turn this crazy bird around Should not have got on this flight tonight Should not have got on this flight tonight.
