

Nazz, Gonna Cry Today

You know as long as I can remember
I wasn't ever liable to give myself away
But it sure doesn't look like it makes a difference now
So I'm gonna cry today

You know as long as I can remember
Nobody ever got anybody back this way
And it sure doesn't look like I'm gonna be the first
So I'm gonna cry today

Are you turned off by my lack of composure
Please excuse my state, it's just that I know
Your gonna take away something that I never had
But I thought was mine

You know as long as I can remember
You and I never had to find ways to waste a day
But it sure doesn't look like you're gonna be around
So I guess I'll cry today

Are you turned off by this over exposure
Please excuse this mess, it's just 'cause I know
Your gonna take away something that I never had
But I thought was mine
