

# Nazz, Not Wrong Long

Baby doll, you've been caught again  
Telling tales about your special friend  
But I can see by the look in your eyes  
I may be wrong, but you're telling lies

Get it straight, you can't fool me no more  
Telling me how I misjudged you before  
But this is something I believe all along  
I may be wrong, but I'm not wrong long

You better look behind  
You know just what you'll find  
And you know I'm not blind  
Don't waste my time,  
I know a cheater when I see one

Don't you know, I don't want to be hard  
But I'm a man and you can push me too far  
'Cause this is something I believe all along  
I may be wrong, but I'm not wrong long
